

C is for Cocoa

Fairtrade Photo Jigsaw

Have fun making a photo collage!

1

Select cocoa photographs. Make a collage.

2

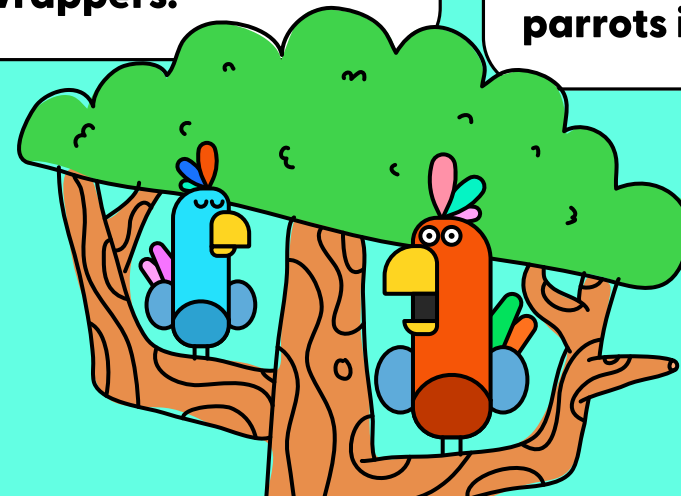

Layer and position the Cocoa photographs. Glue them into place.

3

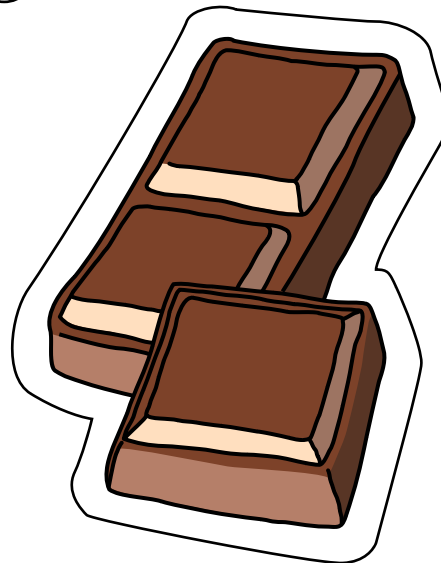

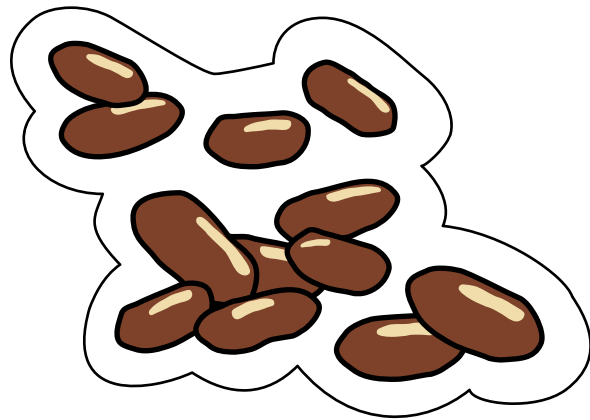

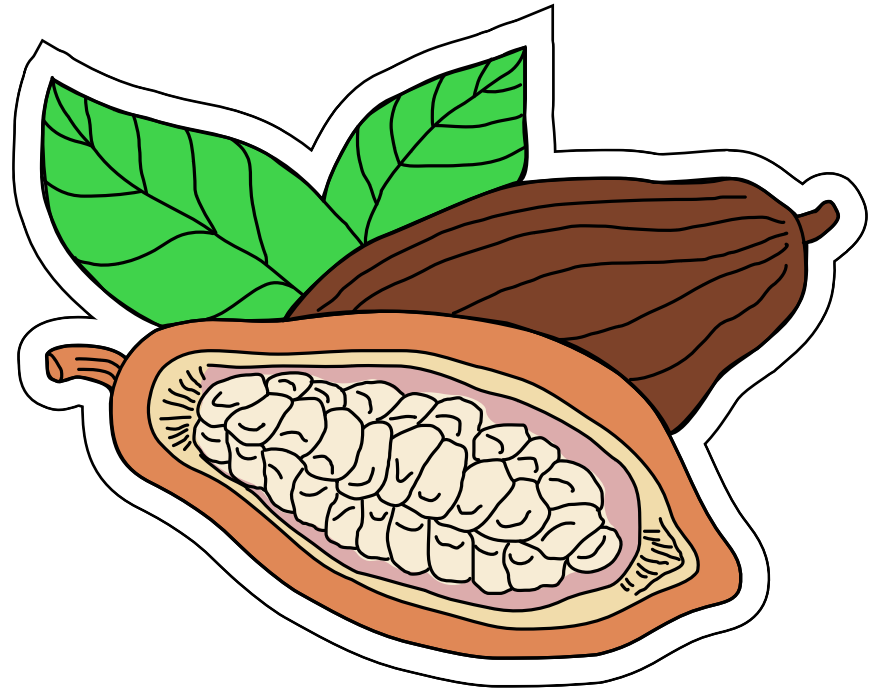

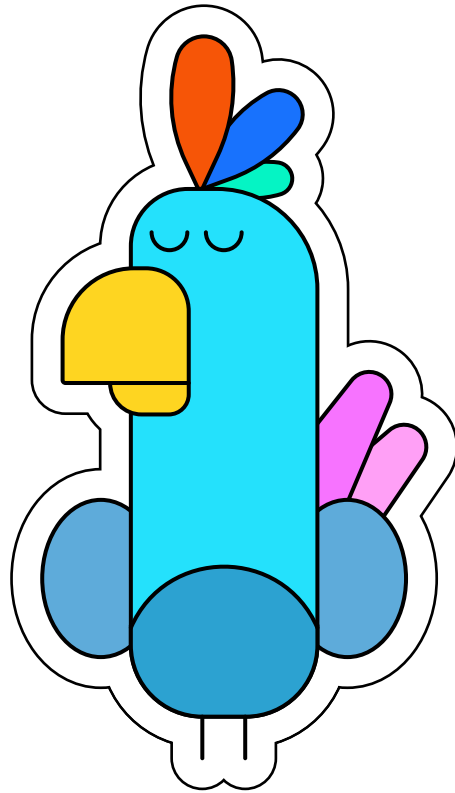

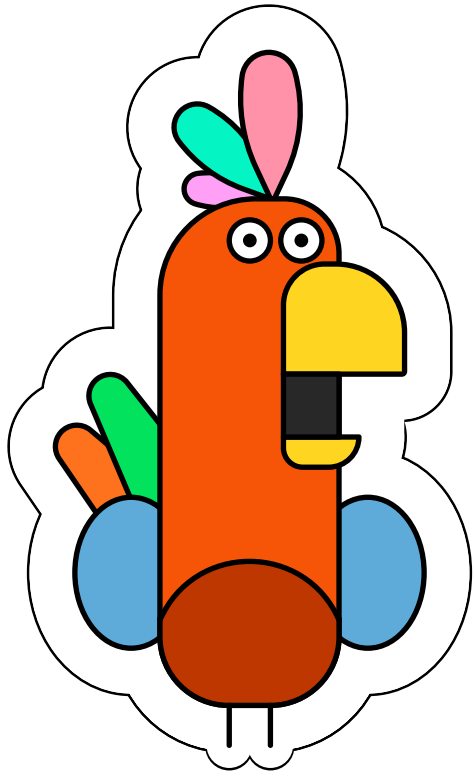

Stick down chocolate wrappers.

4

Include puzzle parrots in your work.

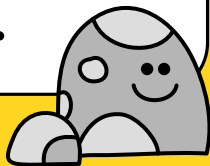

Antonio's Anthill

Get messy with chocolate. Can you build an anthill for Antonio?

-  8 cups of flour
-  A cup of vegetable oil
-  1-2 cups of Fairtrade chocolate powder

Gather your ingredients.

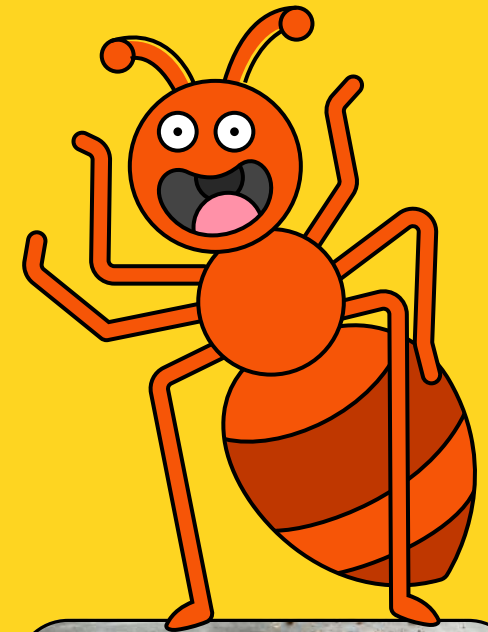

Mix the ingredients together in the middle of a tuff tray.

Leave spoons and mixing tools around the tray.

Can you make Antonio an anthill? Explore the gooey texture!

Fairtrade Picture Book

Make a Fairtrade picture book about chocolate.

1

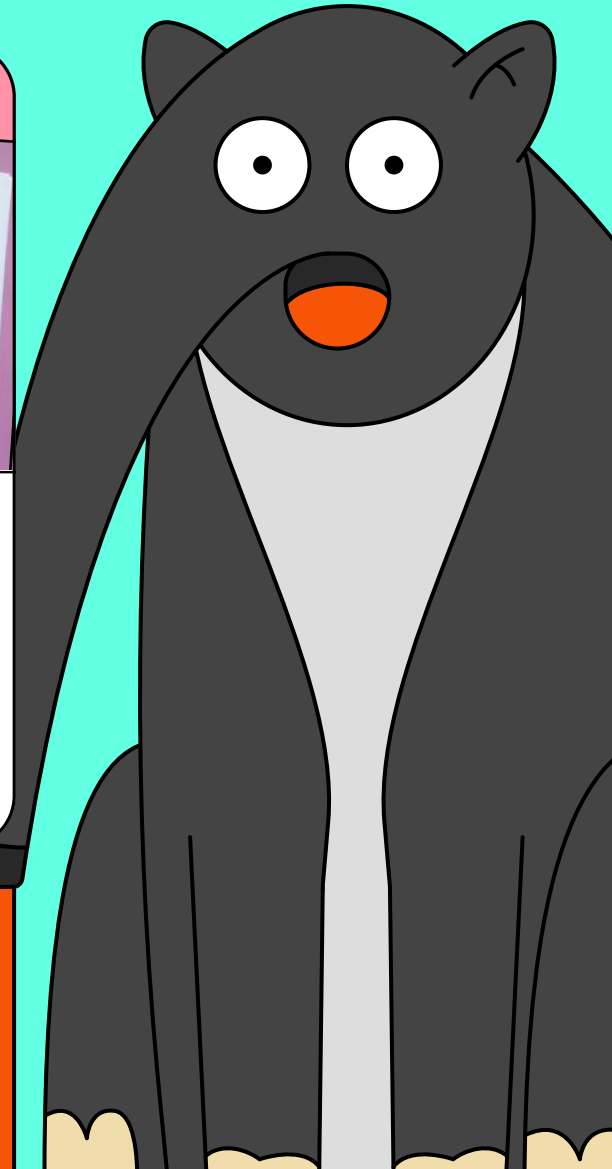

Make a Fairtrade picture book about chocolate.

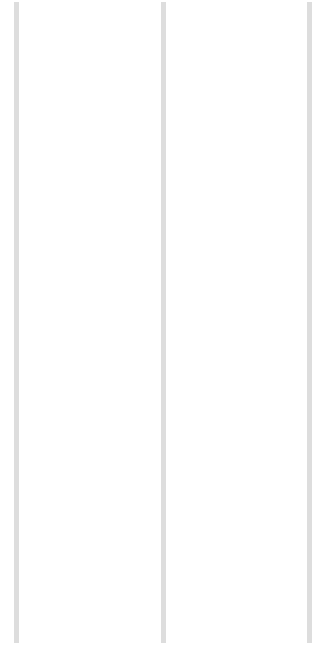

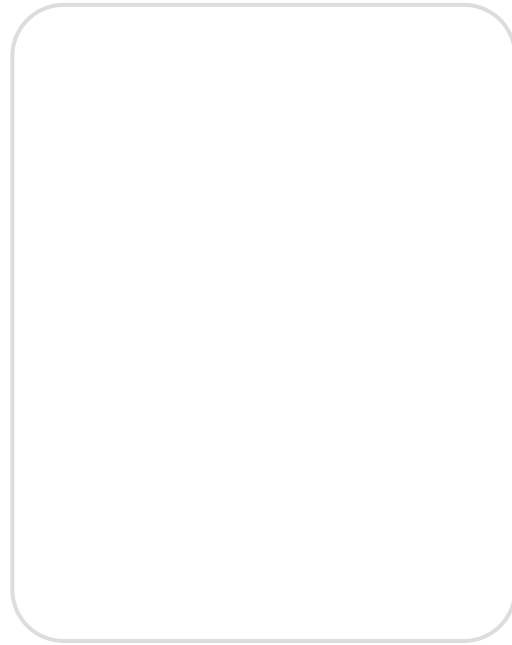

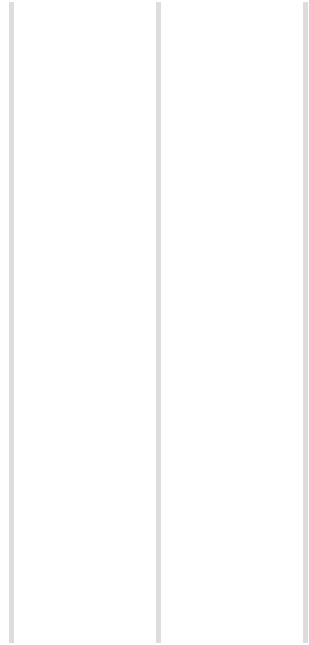

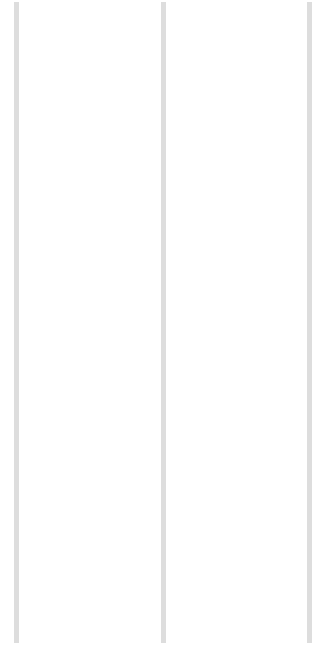

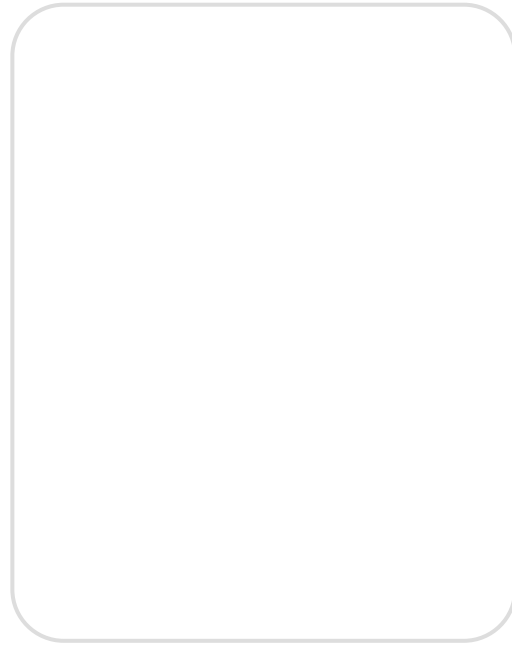

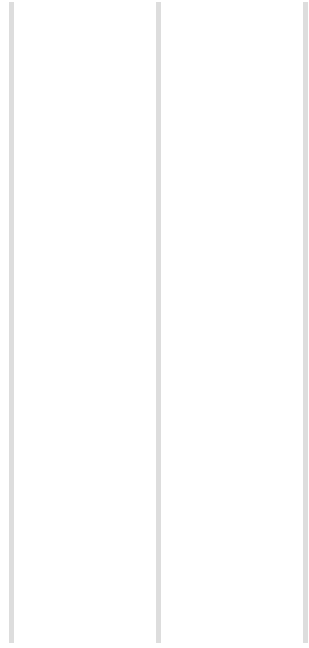

2

Remember the process from cocoa pod to selling cocoa beans. Use the photographs to help you.

3

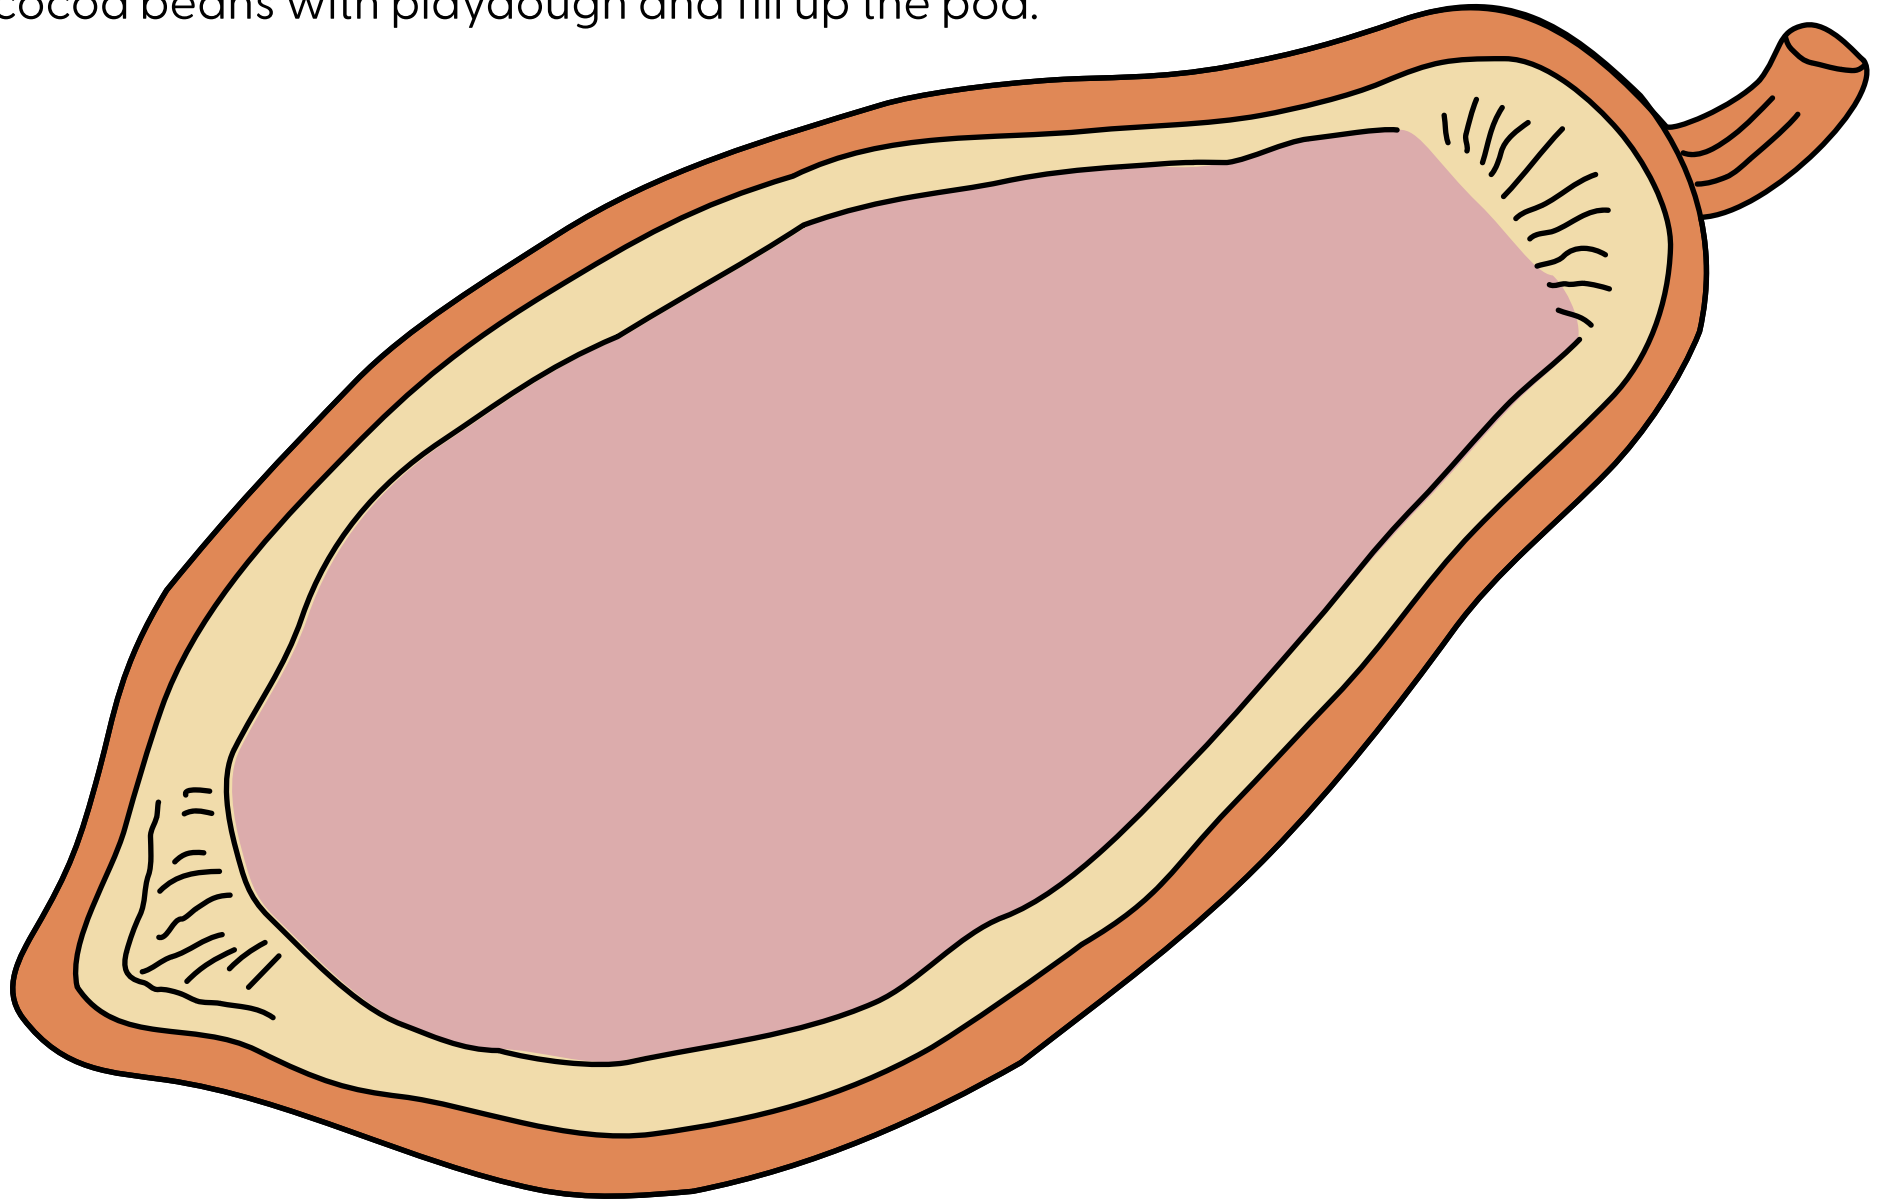

Retell the journey in pictures. Include Antonio the anteater in your story.

Fill the pod with cocoa beans

Make cocoa beans with playdough and fill up the pod.

Make a Cocoa Nursery

Can you create your own cocoa nursery like in the picture example?

Make a Cocoa Nursery

Plant baby cocoa plants in your nursery.

 lolly sticks  containers  Red clay or playdough  sticks  green paper  scissors

1
Gather the things you need.

2
Fill the tuff tray with soil.

3
Layout your items and make the cocoa seed by rolling clay into a ball.

4
Make a small shoot by sticking green leaves onto a stick. Time for children to make their own shoots and cocoa seeds.
